

American Lincoln Parts

Currently connected with Nilfisk Advance Industrial Group, American Lincoln specializes in industrial floor cleaning machinery. In the business they are known within the industry as providing strong and durable machinery which satisfies all the requirements of larger infrastructure and heavy industry. Products made in America; the sales are conducted nation- wide via national accounts, authorized distributors and direct Government sales.

American Lincoln shares the battery operated walk behind version of floor scrubber along with the Clarke Company which is now likewise owned by Nilfisk Advance. Their manufacturing operations are primarily based in Springdale Arkansas. These types of scrubbers are on the market under the trade mark name "Encore". American Lincoln can provide parts, warranty service and machinery for these types of scrubbers that carry both the Clarke and Encore logos.

The 7765 floor scrubber model is the choice machine of huge distribution centers such as Wal-Mart and Target. The 7765 line has earned the respect of numerous facility supervisors where efficiency and results matter. Recently, this floor scrubber model has been requested by the architects in new construction projects such as Home Depot's and Lowes Home Improvement Stores. Flooring contractors make use of this particular sweeper scrubber on location because of the model's supreme performance level and excellent quality for polishing concrete.
