

Nissan Forklift Parts

Nissan takes great pride in attaining complete client satisfaction, when their consumer is experiencing one of their many products including cars, trucks, and forklifts. Nissan Motor Co. Ltd is the parent company to Nissan's Forklift division. They are fully committed to providing high value and detail-oriented quality values to their customers. Incorporating a rich heritage combined with solid manufacturing principals, Nissan Forklifts provide a few of the best materials handling equipment the industry has to offer.

In order to satisfy the worldwide wishes of their assorted client base, Nissan Forklift added a Swedish warehouse manufacturer, Atlet AB to its family. Committed to delivering customer support, the business has four separate production facilities that allow them to continually adapt to their consumers continually evolving needs by offering a range of modern ideas and concepts.

Nissan Forklift operations for North and South America is situated in Marengo, Illinois. Home to a staff of 350 personnel, they are dedicated to the design, fabrication, and support of their forklift products. Utilizing ISO standards (ISO-9001 and ISO-14001 certifications) this allows sectors of the Nissan Forklift Operation to maintain environmental responsibility by using systems and processes that reduce their environmental footprint. These high values remind customers that Nissan operates under the quality seal that their customers require whilst being an environmentally aware organization.

Nissan is certain that they will be capable of addressing any consumer inquiries or considerations. Always available through their website or by calling 800.871.LIFT, reaching one of their community endorsed sellers or even traveling to their Midwestern facility, Nissan Forklift Corporation is certain you will be impressed with their warmth and dedication.
