

## Trek Parts

TREK Cleaning Machines is a maker of cleaning equipment. Bob O'Hara, Jim Hartsock and Chris Knowlton, TREK's founders, have more than 60 years of experience successfully marketing, manufacturing, designing, developing and offering customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They truly believe in delivering true value to their clients and are committed to providing top quality and new design concepts in order to meet the diverse requirements of their customers.

TREK Cleaning Machines always offers fresh design ideas as shown in their product development. They like providing products that energize both their partners and their dealers and offer production gains to their clients.

The team at TREK likes handling new tasks and challenges. They are proud to launch their new Torsion scrubber line and all of its breakthrough technology. This line was motivated by the understanding of operators' needs and skills together with their understanding of cleaning applications, along with owners' strong desire to dramatically lower expense through productivity gains.

When considered necessary, the staff members within TREK and its several dealer members in both technical support and parts would be available. Among their core values is their high service devotion in their customer service. Keeping their clients' cleaning machinery ready and working on a daily basis is top priority. The company's top of the line technology delivers dependable machinery which ultimately reduces your cost of cleaning. The price, the service and the product all work together to make them an industry leader.
